Dear Sir/Madam,

I am writing to recommend KUANG Hao. He worked with me at China Mobile Hong Kong Company Limited as a Marketing Intern and reported to me in my position as Marketing Manager.

As an employee, KUANG was always reliable and resourceful. During his time on my team, he conducted high-impact user research and made a number of critical recommendations that improved the loyalty program.

KUANG's initiative and eagerness to learn were evident in his suggestion to create member-exclusive events for our high-value customers. This idea, which he promptly implemented, not only demonstrated his ability to leverage new knowledge but also led to a tangible improvement in our customer engagement strategies.

KUANG's positive, can-do attitude and collaborative approach made him a valuable asset to our team. His work ethic and dedication were truly commendable, and I would eagerly welcome the opportunity to work with him again in the future.

Should you have any further questions, please reach me at +85294855553.

Thanks,
