

Letter of Recommendation

31 July 2026

Dear Sir/Madam,

I am pleased to recommend Mr. Kuang Hao, who served as an intern in the Marketing Department of Ming Pao Publications Limited from June to July 2026. During his internship, he also contributed to promotional planning, content production, and on-site marketing for the 2026 Hong Kong Book Fair.

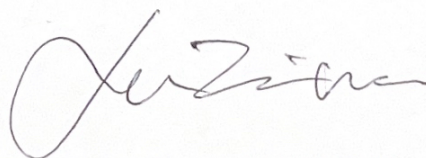

Mr. Kuang demonstrated initiative, enthusiasm, and reliability. His responsibilities included coordinating advertisements, procuring merchandise, preparing promotional materials, promoting books, and providing on-site support. Despite the fast-paced and demanding nature of the Book Fair, he managed his time effectively, responded calmly to unexpected challenges, and completed his assignments accurately and punctually.

Mr. Kuang was particularly impressive in social media management. He took ownership of the entire content-production process, from concept development and scriptwriting to video editing, and publication. His work included author interviews, real-time event updates, and promotional shorts featuring the exhibition booth. He showed strong ability to capture the company brand voice and transform on-site footage into engaging, shareable content. His contributions led to a significant increase in Instagram views and generated valuable publicity during the Book Fair.

With his strong sense of branding and practical experience in marketing, content planning, audiovisual production, and event coordination, I am confident that Mr. Kuang will excel in roles related to marketing and social media. Based on his outstanding performance, I recommend him without reservation.

Please feel free to contact me should you require any further information.

Yours faithfully,

Lee Tai Wai David
